

CLIENT INFORMATION NOTICE:

In accordance with 092.00.1
RULES AND REGULATIONS OF THE ARKANSAS
VETERINARY MEDICAL EXAMINING BOARD

Effective January 1, 2019

1. If your pet is prescribed an opioid; the initial prescription will not exceed a ten (10) day supply.
 2. For management of pain after the initial ten (10) day supply; the patient **must be seen and evaluated by the doctor** before refills will be authorized.
 3. For the continued prescribing of an opioid; the patient will be seen and reevaluated by the doctor at least once every six (6) months.
 4. For refills on any non-opioid prescriptions; patients must be seen and reevaluated by the doctor at least once every twelve (12) months.
